Women who came to the tomb....

Mary Magdalene and the other Mary

Mary Magdalene and the other Mary

Mary Magdalene, the other Mary, and Joanna

Only Mary Magdalene

The tomb's entrance stone...

Angel appeared and rolled it away

Stone already had been moved

Stone already had been moved

Stone already had been moved

Angelic appearance...

Dressed in white - like lighting

Young Man dressed in white

Two men like "lightning"

Two angels in white

The Women felt.....

Afraid but with great joy

Astonished and afraid; run away

Frightened

Mary doesn't seem afraid
